

Market Garden Assistant

Apricot Lane Farms is a 234-acre farm integrated within a reawakened ecosystem. With a team that makes the seemingly impossible possible, the farm regeneratively grows more than 200 varieties of fruits and vegetables, and raises sheep, cows, pigs, chickens and ducks with care and respect, while working in harmony (or a comfortable level of disharmony) within a dynamic ecosystem. Under the direction of the Garden Manager and Garden Coordinator, the Market Garden Assistant addresses the needs of the Apricot Lane Farms market garden while striving to maintain the principles of Biodynamic and Regenerative Organic Farming.
